

TROOP CHRISTMAS PARTY

18/Dec/2009

On the last Friday of the term our Scout Troop celebrated the approaching Christmas season with a party at the beach. While the previous day had been a near 40° scorchers, today was a mild 20° and overcast, and not many wanted to swim. We started with chicken and chips dinner at Shelly Beach and after the girls talked while the boys explored.

A large rock platform exposed at low tide was ideal for exploring.
