

CUB BUSHWALK - COURANGA TRACK

12/Feb/2012

On the 12th Feb 5 cubs and a few leaders walked the Couranga track that starts at Waterfall and ends up at the Upper Port Hacking causeway. The week of solid rain ensured every puddle was full, but this only increase the fun!

We find the start of the track

The memorial to the Waterfall bushfire volunteers

Water every where

Checking the Map to ensure we weren't lost

We made it to the end

We had a few passengers on our legs

Everyone checking their feet for leeches
