1st Bangor Kangaroo Scout Troop

Term 2, 2014

Welcome back to the Kangaroos for our 2nd term.

Our theme for this term is NATURE, and we will be doing lots of different Animal programs.

We may even have some special visitors along to show us their animals!

Today however, we are having an ANZAC day meeting where we will be making Flander's Day Poppies.

On the back of this note is the calendar for the term.

Looking forward to another great term.
